**Grayden Solman, PI**

Department of Psychology (Award amount: \$10,817)

*Managing Space to Manage Goals*

**Support for Undergraduate Research Assistants**

Awards were made to faculty members with research currently supported by extramural funding or unfunded research intended to lead toward the development of a proposal for extramural funding. This program is intended to meet two objectives: (1) to promote and facilitate high quality extramurally-funded research by CSS faculty; and (2) to provide opportunities for undergraduate students to gain research experience and mentoring.

**Award Recipients**

**Jennifer Darrah, PI**

Department of Sociology (Award amount: \$4,000)

*The Dynamics of Racial Segregation: Understanding the Role of Parent Neighborhood Preferences*

**Yi Qiang, PI**
